

# COAL MINERS FLOCKING TO WORK

## COAL MINERS WILL BE BACK ON JOB FRIDAY

Some Report for Work Last Night; Both Sides Pleased

Fuel Restrictions to Stay in Force For Awhile Yet.

(ASSOCIATED PRESS DISPATCH)  
WASHINGTON, Dec. 11.—President Wilson today telegraphed Acting President Lewis of the coal miners' union his appreciation of the "patriotic action" taken by the miners' representatives yesterday at Indianapolis. The telegram follows: "May I not express to you, and through you, to the other officers of your organization, my appreciation of the patriotic action which you took at Indianapolis yesterday. Now we must all work together to see to it that a settlement just and fair to every one is reached without delay."

(SIGNED)  
"WOODROW WILSON."  
Acting President John L. Lewis, of the United Mine Workers of America, this afternoon answered the telegram received by him from President Wilson this morning. Mr. Lewis told the president that the mine workers are "profoundly impressed with the assurances of fair dealing" extended by him.

WASHINGTON, Dec. 11.—There will be no immediate relaxation in the enforcement of the rigid restrictions on coal consumption notwithstanding the settlement of the soft coal strike, Fuel Administrator Garfield announced as soon as he heard of the miners' agreement to accept President Wilson's proposal.

Director General Hines of the railroad administration, through which the fuel regulations are enforced, said in a formal statement that the dislocation which the strike has created in the production, transportation and distribution of coal cannot be instantly remedied and pending readjustment "it is highly important for the public to continue to exercise great caution in the consumption of coal and it is hoped there will be a due appreciation of the difficulties which cannot be immediately overcome."

RESUME FRIDAY  
INDIANAPOLIS, Ind., Dec. 11.—General operation of bituminous coal mines of the country which have been idle for nearly six weeks as a result of the strike of miners on October 31, is predicted for tomorrow. Coal will be moving rapidly by the first of next week, in the opinion of operators here.

Officials of United Mine Workers of America, who last night sent telegrams to the 4,000 locals of the organization telling of the action of the miners' general committee here yesterday in accepting President Wilson's proposal to return to work, today were confident that there will be no delay on the part of the members of the union in resuming work. The telegrams of last night, which instructed the men to return to the mines immediately, were supplemented today by circulars prepared by international officials of the union explaining in detail the action of the general committee yesterday, the basis on which the strike was settled and reiterating the instructions to resume work immediately. These circulars were mailed to the locals.

Many At Work Now  
Reports reaching here this morning told of the return as early as last night of some of the miners in nearby fields and in other instances of some of the men reporting for work today. It was pointed out, however, that in most cases, the telegrams directing an end of the strike were not received by locals until this morning and that the locals in turn must notify their members before the majority will again enter the mines.

The nine operators on their part promise to bend all their energies toward resumption of normal operation and promise that if the miners report promptly movement of coal from the mines will become general within a very few days.

All Satisfied  
All sides in the controversy just ended were highly satisfied today with the agreement reached by the general committee of the miners in their session here yesterday. The miners were especially pleased with

## Cunard Liner Delayed With Too Much Coal

NEW YORK, Dec. 11.—The former German passenger liner Imperator, new British ship under Cunard line operation, sailed today for Plymouth, Cherbourg and Southampton. She was to have departed at noon yesterday but her clearance papers were held up on orders from Washington while charges that she had exceeded her supply of bunker coal were being adjusted.

The offer of the British ministry of shipping to replace the excess coal was accepted last night and the ship released but too late to enable her to get away on high tide. The liner had 2,700 passengers on this, her first voyage as a passenger ship since she left her under the German flag in July 1914.

The idea of appointment of a commission composed of one miner, one operator and a third member not affiliated with either side to investigate wages and coal prices and fix both at figures which they deem reasonable. This commission, under the plan, will be appointed by the president, the miners in the meantime to receive an advance of 14 per cent in wages over the scale paid prior to the strike.

One feature with which the miners are highly satisfied provides for settlement by the commission of internal questions peculiar to each district. This, the coal workers believe, will go far toward elimination of differential in wages which have been the cause of much dispute for years.

DELAY IN OHIO  
EAST LIVERPOOL, O., Dec. 11.—Delay in receipt of official notification of the settlement of the coal strike caused a postponement of resumption of mining in Cuyahoga county mines this morning until tomorrow. The mine owners here and at Salineville, West Point, Leetonia, and other points said they would resume the mines in accord with the Indianapolis settlement tomorrow morning.

READY TO RESUME  
PITTSBURGH, Pa., Dec. 11.—Not a union mine in the Pittsburgh district resumed operations today as a result of the action taken by the United Mine Workers of America in Indianapolis yesterday, but it was confidently expected the men would be back to work not later than Monday.

Local headquarters of the union were without official information that the strike had been called off and one of the office force volunteered the information that nothing could be done until this information had been received.

Mine owners had their properties in readiness for quick resumption as soon as the men reported, and from other sources came reports that many miners were anxiously awaiting the required order.

At best it was said, the men could do little before Monday. Friday is generally looked upon as a "bad luck" day, and so is the thirteenth of the month which falls on Saturday. On neither of these days, operators said, would many men feel like resuming work after the suspension.

WASHINGTON, D. C., Dec. 11.—President Wilson had before him today another memorandum on the Mexican situation. It is related to the interference of the Carranza government in the operation of American-owned oil properties in Mexico and was prepared by Chairman Payne, of the shipping board, upon information furnished by representatives of Mexican oil producers. Chairman Payne also sent a letter to Secretary Lansing urging that the state department take action toward protecting the American owned oil properties in Mexico.

It has developed that the state department during the last six months despatched three notes to the Mexican government protesting against the oil decrees but no replies have been received from President Carranza. It was learned today that Mexican soldiers had halted drilling operations of American companies on the ground that permits to drill had not been obtained. Under the Mexican government decrees, foreign oil companies must agree in advance that the new wells shall become the property of the Mexican government.

## FLOODS SWEEP SOUTH, WORST IN 33 YEARS

Many Lives Lost, More Endangered; Damage Millions.

Convict Camp in Alabama Cut off; Better at Atlanta.

MONTGOMERY, Ala., Dec. 11.—Fears were entertained today for the safety of hundreds of persons living along the rivers in central and southern Alabama, which have overflowed as a result of heavy rains since last Saturday.

Five lives are known to have been lost and scores of persons have been marooned. One hundred and fifteen negro convicts and 15 white guards are marooned at a convict camp to miles northeast of Montgomery near the Tallapoosa river. The floods are the worst since 1886.

ATLANTA, Ga., Dec. 11.—Several thousand persons were homeless today and many more out of employment as a result of flooded rivers in Alabama, Georgia and Mississippi. Railroad schedules were demoralized and property loss was estimated in millions. Rivers in the three states had reached their highest stages in many years as a result of the heavy rains of the first part of the week, but generally were receding today.

Hattiesburg, Miss., was the only city isolated by the waters, although a score of others were partly cut off. Hundreds of residents of the flooded sections were forced to flee, but the loss of life was remarkably small. Two trainmen lost their lives yesterday in Mississippi in wrecks due to washouts, a negro was drowned at Meridian, and two women and a soldier were drowned Tuesday night, near Atlanta, when an automobile went over a damaged bridge. Later reports were expected to add slightly to this total, as many were known to be marooned and suffering from cold and hunger. Houses were swept away in West Point, Ga., by high waters that overflowed part of the town.

## Posse Chases Man Who Fired Big Lumber Yard

DANVILLE, O., Dec. 11.—Posses of citizens were scouring the countryside near here today for a man said to have set fire to the C. V. Danbury company, planning mill and lumber yard here last night, causing a loss estimated at \$25,000.

The man whose name was not learned, was captured shortly after discovery of the fire. To officers he asserted he had been sent by Cleveland men to fire the mill. A few minutes later he broke away from his captors and though a dozen shots were fired made good his escape.

## MEXICAN OIL INDUSTRY DEAD OPERATORS TELL U. S. OFFICIAL

WASHINGTON, Dec. 11.—President Wilson had before him today another memorandum on the Mexican situation. It is related to the interference of the Carranza government in the operation of American-owned oil properties in Mexico and was prepared by Chairman Payne, of the shipping board, upon information furnished by representatives of Mexican oil producers. Chairman Payne also sent a letter to Secretary Lansing urging that the state department take action toward protecting the American owned oil properties in Mexico.

It has developed that the state department during the last six months despatched three notes to the Mexican government protesting against the oil decrees but no replies have been received from President Carranza. It was learned today that Mexican soldiers had halted drilling operations of American companies on the ground that permits to drill had not been obtained. Under the Mexican government decrees, foreign oil companies must agree in advance that the new wells shall become the property of the Mexican government.

WASHINGTON, D. C., Dec. 11.—Production of oil in Mexico practically has ceased as the result of decrees promulgated by President Carranza and the general attitude of the Mexican Government toward foreign oil companies, Chairman Payne, of the Shipping Board, was told by a delegation of American oil men, headed by E. R. Kellogg, of New York.

Drilling of new wells in the Tampico district, from which comes much of the world's oil supply, has

## AVIATION MAJOR TAKES JOB AS WINDOW WASHER

NEW YORK, Dec. 11.—Having received five decorations for gallantry as an aviator during the war, including the prized Victoria Cross of the British Empire, Frank Percy 26 years old, has been forced to wash windows for a living. His pay is \$75 a month.

"I had to have a job," he said, "so I started on the first one that was offered. It may have been offered as a joke, but it was no joke to me."

Percy, as an acting major of the Royal Air Force, won the Victoria Cross when he commanded a squadron of six planes which brought down a score of German machines on the western front. He also is entitled to wear the French War Cross, Mons Medal, General Service Medal and Victory Medal.

## INCOME TAX IS BEFORE OHIO'S SOLONS TODAY

Auto Bill Passes; Rent Profiteer Act in.

COLUMBUS, O., Dec. 11.—With the graduated motor vehicle tax bill out of the way, the house today will take up the income tax bill, the next big measure on the taxator program before the legislature.

The income tax bill was made a special order for 10 o'clock this morning. The senate was scheduled to meet at 1:30 this afternoon when it may take up the graduated motor vehicle tax bill which passed the house late yesterday by a vote of 65 to 39.

Numerous amendments are expected to be offered to the income tax bill. Representative Winter of Hamilton county will propose one amendment which would require men living outside the state but practicing their profession or conducting a business within the state, to pay an Ohio income tax on the amount earned in Ohio. This would catch many Cincinnati business and professional men who live in Kentucky.

As it passed the house yesterday, the motor vehicle tax bill makes the secretary of state the chief administrator of the bill instead of county auditors. Schedules in the bill are \$3, \$10 and \$20 based upon horsepower of the machine, with an additional tax on trucks of 20 cents per 100 pounds of weight of truck and carrying capacity. County commissioners and municipalities will get 50 per cent of the incomes from the law for use in maintenance of streets and roads, the state receiving the other 50 per cent for use exclusively in road maintenance.

The house held a night session last evening in which it defeated the Bliss bill which increased salaries of supreme court judges from \$6,500 to \$10,000, the chief justice from \$7,500 to \$10,500, court of appeals judges from \$6,000 to \$9,000 and fixing the minimum salaries of common pleas judges at \$4,000 with a maximum of \$9,000.

Before the bill was defeated Representative Kreider, Hocking county, offered an amendment giving the judges a 14 per cent advance, saying they were not entitled to any greater increase than the miners.

Representative Backowski, Cleveland, introduced a bill in the house proposing to increase the salary of the governor from \$10,000 to \$25,000 and increasing the salary of the lieutenant governor from \$1,500 to \$2,500.

Two measures designed to prevent rent profiteering were introduced in the house last night, one by Myers of Toledo, making it a crime punishable by fine of \$200 and sixty days imprisonment in jail to charge rents more than 12 per cent per annum on the basis of the value of the property, and another by Branch of Toledo authorizing municipalities to create commissions of five to handle profiteering, with power to be prescribed by council.

STEEL WORKER KILLED  
CANTON, O., Dec. 11.—While going to work at a steel mill last night, Emil Knopez, was followed by three men. Without any challenge or warning, he was shot in the back and killed. Police at present have no clue as to the men who shot him or the motive for the crime.

## THIRTY CENT SUGAR SOON IS POSSIBLE

Senators Start to Fight For Action To Prevent Rise.

Louisiana Members Filibuster and a Vote is Delayed.

WASHINGTON, Dec. 11.—Thirty-cent sugar by January 1. Senator Lee S. Overman of North Carolina stated on the floor of the senate that sugar is now selling for 27 cents a pound in his state.

Senator Charles L. McNary of Oregon, who has been conferring with Herbert Hoover, former United States food administrator, on preventive measures said that the limit has not been reached but will go much higher unless drastic action is taken.

Extension of the life of the sugar equalization board for a year beyond January 1, when it is due to go out of existence, is sought by Senator McNary in a bill which he called up for consideration in the senate.

Louisiana senators filibustered against the passage of the bill. They finally succeeded in staving off a vote.

Louisiana cane sugar producers have been advised by the United States department of justice that they will not be prosecuted for profiteering if they charge 17 1/2 cents and 18 cents a pound wholesale for their product, while the beet sugar producers of the country have been informed that 10 1/2 cents a pound is a "fair price" for their product.

Senator William F. Kirby of Arkansas, democrat, said: "It would be far better for the government to purchase the entire Louisiana sugar crop, which will amount to only 100,000 tons this year; pay 18 cents a pound for it, and sell it at the price fixed for beet sugar, than to allow the price of beet sugar and all other sugars throughout the United States to be boosted to the Louisiana level."

## Watch Border For Bolshevik I. W. W. Invasion

WASHINGTON, Dec. 11.—Immigration officials on the border were instructed today by Anthony Caminetti, commissioner general of immigration to forward a report on the threatened invasion from Mexico of 50 Russian Bolsheviks and 150 Mexican I. W. W. Mr. Caminetti expressed little concern as to the ability of the immigration officials to cope with such a situation in view of the strength of the United States troops on the border.

## G. O. P. CLANS ARE TO MEET AT CHICAGO, JUNE 8; PRESIDENTIAL ASPIRANTS BEGIN EARNEST WORK

WASHINGTON, Dec. 11.—After a two-day session here, the republican national committee has adjourned its sessions here after selecting Chicago as the place and June 8 as the time for the national convention, political circles in the capital were kept alive today by the various rumors for republican presidential candidates for 1920.

Many republican leaders have left for their homes but a larger number remained for the meeting today of the state chairmen who have organized the various republican state organizations under discussion.

Supporters of the candidates for the presidential nomination have been unusually active here during the last few days, but so far few of the candidates had appeared publicly in the open. Senator Watson of Indiana, who has been advanced as a possible nominee, in a formal statement declared he was not seeking the nomination and would not permit personal ambition to interfere with party harmony. Chicago won the nomination by a vote of 44 to 9. St. Louis being the only competitor when the final vote was taken.

The committee adopted a resolution commending the states which have ratified the national woman suffrage amendment and urging the other states to do so in time to permit women to vote in the 1920 elections. The membership of the various committees, which will serve during the approaching campaign was named.

The convention will consist of 884 delegates, seven fewer than the membership of the 1916 body. New York and North Carolina gain one delegate each, making their representation respectively 88 and 73. The best

## Grangers Cheer Governor Cox

COLUMBUS, O., Dec. 11.—With reports from various committees, including the taxation committee which has under consideration the income tax bill before the legislature, and measures designed to catch tax dodgers, scheduled to be made today, the Ohio State Grange will bring to a close its three days' convention.

Cleveland is expected to be picked for the 1920 meeting of the Grange. An address by Governor Cox, preceded the conferring of the sixth degree upon a class of 814 candidates at the meeting last night at Memorial Hall. The governor received tumultuous applause when he declared in favor of the deportation of "mischievous spirits of the nation who seek to undermine the institutions inherited from the fathers who builded the republic." Speaking of the movement in the Grange to bring about the placing on the tax duplicate of intangible property, the governor called attention to the fact that he sought to accomplish this result a few years ago through the Warnes law but that it did not meet with favor among the country people.

## FRENCH CLASH WITH ITALIANS IN FIUME CITY

Clemenceau is in London for Conference

PARIS, Dec. 11.—French troops have clashed with d'Annunzio volunteers at Fiume and many were killed and wounded on both sides, according to a Geneva dispatch printed by the Petit Parisien, with reservation. It is said the d'Annunzio troops had pillaged French depots at Fiume.

"TIGER" IN LONDON  
LONDON, Dec. 11.—Georges Clemenceau, premier of France, arrived here this morning at about 10 o'clock. During his stay in London, he will confer with Premier Lloyd George and Vittorio Scialoja, foreign minister of Italy.

LONDON, Dec. 11.—Andrew Bonar Law, the government leader, answering several questions in the house of commons today hinted that the Adriatic trouble was a subject of discussion between Premier Clemenceau of France, Foreign Minister Scialoja of Italy and Premier Lloyd George, as was also the Russian situation and Turkey. He gave no indication of the course of the conference, however.

IN DEBT ENDS LIFE  
LEBANON, O., Dec. 11.—David Smith, a painter, ended his life here by drinking wood alcohol. Some time ago Smith was said to have given a note which he could not pay. He is survived by his widow and one child.

## CRUEL SWINDLE Worked Upon a Real Kentuckian

LOUISVILLE, Ky., Dec. 11.—An ingenious swindle, as an outgrowth of wartime prohibition, has been brought to light in Louisville. Robert C. Gilbert, proprietor of a soda-drink stand, drank what he told the police was prairie whiskey, from a barrel which a stranger offered to sell him for \$150. The price was right and Gilbert, according to a police report, gave the stranger a check and carried the barrel away. Presently the supply of liquor began to dwindle. Gilbert investigated and found the barrel filled with water. A small receptacle inside the barrel had contained whiskey and was connected by a tube with the bung-hole.

PERJURING TO VISIT TOLEDO  
TOLEDO, O., Dec. 11.—General Pershing will be guest of honor here on December 18 at a breakfast to be given under auspices of the Commerce Club. Notices were received today that the commander of the American expeditionary force during the war would spend four hours in the city. Members of the American Legion will participate in the reception.

FATHER DIES OF BURNS  
MAYSVILLE, Ky., Dec. 11.—William Beckett, whose home was destroyed by fire and whose son was cremated, died of burns suffered when he was rescuing his wife and three-day-old babe. Another son is burned fatally, and is dying of pneumonia, caused by exposure after the accident.

OHIO WEATHER  
Cloudy and warmer tonight and Friday with probable local snows.

## DEPOSITORS TO BE PAID IN FEBRUARY

Depositors of the First National Bank of Bluffton, which recently closed its doors, will, in all probability, receive the first payment on their accounts, early in February, according to information given out in that city by Paul C. Hayes, receiver, who is in charge of affairs of the defunct institution. It is understood

no payments will be made before the first of that month. Hayes, it is understood, stated he has no idea just what per cent of the deposits will be made at the first payment. However, officials of the bank have assured the depositors that the institution will return dollar for dollar. It has been ascertained, the total deficit of the bank, including the shortages in the accounts and amounts required to close the institution's business will probably not be in excess of \$125,000, and there is a possibility that it may be less than that amount, officials say. Recently, it is going over the ac-

counts it was discovered that the bank has unrecorded assets amounting to about \$29,000 which will decrease the amount of deficiency to that extent.

## Bluffton Fair is Drawing Crowds

Several hundred persons from nearby counties attended the opening session of the Bluffton mid-winter fair held Wednesday, and which will close tomorrow. Live stock on display included 149 head of hogs; 12 head of sheep; sixty-five head of cattle; 23 head of horses. There is a large exhibition of grain, domestic and art works. The awarding of more than 75 cash prizes ranging from \$15 down to 50 cents took place today. L. S. Van Natta, Allen county farm agent, gave a talk this afternoon on "Fertilization."

## Lima Woman Dies After Short Illness

Mrs. Lydia Lindsay, widow of the late George Lindsay, died at her home this morning, after an illness of three weeks from bronchial pneumonia. The deceased was born November 29, 1845. Three sons, Alvin of Pennsylvania, A. G. and W. F. Lindsay of Oklahoma, and two daughters, Mrs. Virginia Wigfield and Mrs. Anna King, of Pennsylvania, survive her.

A prayer service will be held at the residence, 1316 Rice avenue, Friday evening at 7:30 o'clock. Rev. Canby to officiate. The body will be accompanied at 9:30 o'clock over the Pennsylvania railroad to Greensburg, Pa., where burial will be made.

## Aged Resident is Called By Death

John Park, 89, died at the home of his daughter, Mrs. Margaret Brooks, 731 Greenlawn avenue, yesterday following an illness of several weeks from infirmities due to advanced age. Besides the daughter with whom he lived another daughter, Mrs. Elizabeth Koller, of Dunkirk, and a son, Thomas Park of Wellington, survive him.

Funeral services will be held Thursday afternoon at 1:30 o'clock at the Brooks' home after which the body will be accompanied to Dunkirk for burial.

## Former Resident Dies in West

Mrs. Taylor Longworth, 1315 west 13th street, received a telegram Wednesday night announcing the death in Ukiah, California, of Mrs. E. G. Longworth, former Lima resident. She deceased was 77 years of age and death resulted from a complication of diseases. She was the mother of the late Taylor Longworth. The body will be accompanied to Lima for burial. Funeral arrangements will be announced later.

Division No. 2 and 3 will give a Cafeteria Supper, at Epworth M. E. Church, on Bellefontaine avenue, Friday evening from 5 to 8.

The Kimber Jazz orchestra will furnish music throughout the evening. Public cordially invited.

## MEMORIAL FUND IS STILL PROGRESSING

Eugene Lippincott, chairman of the Roosevelt Memorial Association, announces that contributions are still being received for the fund. "Owing to the great number of other things to which the public was being asked to contribute at the time," said Lippincott, "the people of the county did not respond as liberally as was expected, but the fund is still growing and it is hoped Allen county will go 'over the top' with her share within a short time."

## Avers Her Husband Curses Her, Then Professes Religion

Married in Lima, April 18, 1898, Hattie Bell Morin alleges John Morin both colored, has in all their married life only bought her one dress and one pair of shoes, on one occasion given her a \$10 bill and at two other times given her a \$5 bill, in a petition filed in common pleas court Thursday in which she asks a divorce, on the grounds of gross neglect of duty and extreme cruelty.

The plaintiff further charges the ungrateful hubby has at times "blackened her eyes" and at one time struck her and knocked some of her teeth out. "It is fuss, fuss, fuss," avers the plaintiff in her petition. "He will curse me and curse me and then go to church and publicly holler 'Amen!'"

On July 29, she alleges, he threw her down on the floor and took her pocket-book out of her stocking. They have three children, the petition states, Walter A. Morin, 21; Sargent A. Morin, 19 and Hattie Appeline Morin, 12.

**CLOTHING PRICES.**  
CHICAGO, Dec. 11.—Clothing prices will continue upward next spring, Charles E. Wry, secretary of the National Association of Retail Clothiers, announced, explaining steps taken by the association to assist Attorney General A. Mitchell Palmer in combating the high cost of wearing apparel.

The causes of high prices are beyond the control of the retail dealers, Wry declared, but members of the association are preparing to hold further price advance to the minimum at the sacrifice of their own profits. Popular price suits, which sold before the war at \$25 and now retail at \$50 will bring \$60 or more next spring, Wry said.

**EIGHT CHILDREN HAD CROUP.**  
"I have eight children and give Foley's Honey and Tar to all of them," writes Mrs. P. Rothmann, 2404 Herman St., Covington, Ky., "they all were subject to croup." It loosens mucus and phlegm, stops that strangling cough, makes easy breathing possible and permits quiet sleep. Contains no opiates. Children like it.

As soon as you take "Neutrone Prescription 99" you can feel the pain and misery leaving and comfort and happiness coming in. Go to your druggist today and get a bottle, then enjoy life, feel like doing things again. For sale by

## Early Decision May Be Rendered

Returning from Columbus Wednesday night where he has been in behalf of the city in the city's appeal to supreme court from the ruling of the utilities commission granting the local gas company the right to make a service charge of 25 cents, City Solicitor Melvin Light expressed his belief that the higher court will render a verdict very early.

## Welfare Campaign Closes This Week

A meeting of the captains and workers in the recent Federated Welfare campaign held for the purpose of obtaining a fund of \$20,000 to be divided between five local organizations met yesterday afternoon at the Chamber of Commerce for a partial report of their work. The campaign it is believed will go over the top and it is hoped to close it up this week. Another meeting has been called for Friday afternoon at 4 o'clock. Rev. Kirk O'Ferrall is campaign chairman.

**INFANT DIES.**  
Robert J. Smith, infant son of Mr. and Mrs. Jess Smith, 614 East Elm street, died at the home of the parents early Thursday morning, after an illness of three days. Short funeral services will be held Friday afternoon at 2 o'clock at the residence. Interment will be made in Woodlawn cemetery.

**MAN IS HELD.**  
James Nelson, 30, giving his home as Canada was arrested by officers of the local police force Wednesday on suspicion. Nelson is being held in the city prison pending investigation.

## The Kenosha Idea

UP IN WISCONSIN, the two most talked-of industrial cities today are Milwaukee and Kenosha. Milwaukee's Socialist politicians have given that city unenviable notoriety. Kenosha, an hour's ride away, had its own labor rows until the great war broke. Then all the community decided to forget old grudges and to organize for war work. When peace came, the men who had been working together decided to keep up their united organization to solve the big, new problems of reconstruction. How they are doing this the whole country is beginning to learn. The leading manufacturers, the retailers, officials of organized labor, other men's and the leading women's organizations agreed to take up together the problems of housing, the street car service, the schools, all needed public improvements.

Such men as Mayor Joachim and the most influential aldermen, Z. G. Simmons, maker of steel heads; C. W. Nash, of the Nash Motors; Roger Kimball, of the Black Cat; the Cooper brothers of the big underwear factory, the leading officials of the American Brass Co., C. S. White, known as a maker of steel wire, meet with committees made up of local business men, the leading educators, representative labor leaders, and so on, and at least twice a month they thresh out all the pressing local problems, big or little.

Already this city of only 30,000 or 40,000 people has raised a million-dollar housing fund that insures at least 5,000 homes for workers who had previously been herded in tenements. It has clean politics and fine schools. It is building new streets by scores of miles each year. It has a city plan in sight and is financing a practically bankrupt street car system to develop previously unsettled territory for the new homes, so that any worker can pay for his own home out of what formerly went in rent for a crowded wooden shack.

The Simmons company has just put in operation plans by which the employees and the employers together on a board, insure fair treatment and conditions of employment to every worker, and in addition every wage-earner draws just exactly the same dividend each year, on his annual wages, as is paid to any holder of common stock. Other of the big factories are working on similar ideas.

What has been the result? Every day, Secretary Francis of the Kenosha Chamber of Commerce gets applications from capitalists elsewhere who want to learn of available sites for starting new plants there. Every day come requests from skilled workers in distant states, who want to get jobs and a chance to own homes of their own. The Bolshevik rallies at Socialist hall, once jammed to overflowing, have dwindled to slim attendance. Kenosha, once like Milwaukee, the home of bitter labor wars, is now known all over the Northwest as immune to labor troubles; and the city is growing in population, in industrial wealth, in high standards of labor and industrial output such as no other city of that section can rival. Even with its big housing movement it cannot begin to provide for all the skilled labor or the new industries that seek a home there, and will continue to seek, so long as the community works together as a man to make the city one of industrial peace and progress.

Has Kenosha a lesson for any other industrial city of the Middle West?

GOOD EVENING—Silence is golden, but the trouble with it is that a fellow can't pay any bills with it.

Having a liquor commissioner seems to us a good deal like appointing a man to watch the leaves along the river during a nine-months drought in the summer.

There seem to be plenty of candidates for President this year, but how many of them are going to last through next year?

Unfortunately most men get the rheumatism in their legs or arms, when it would do more good in their tongues than any place else.

HAPPY THOUGHT—A woman can bear up under most any kind of sorrow if she realizes that crying is going to make her nose red.

## OUR BED-TIME STORY

FOR TINY TIMES-DEMOCRAT FOLKS

"When we reached the disabled ocean ship," said Captain Bold, as he continued telling Jack and Jane of the submarine's adventures, "I could see the captain ordering his men to be down a long stairway to the water-curtain so that we could climb onto his ship from the low submarine."

"The passengers were cheering so that you couldn't think, when we finally reached the boat."

"When I ran up the ladder to the boat's deck I could see what the people on board had suffered. The captain was awfully thin and so weak he could just about stand straight as he saluted me. The members of the crew, trying to keep the passengers from crowding around the ship captain, myself and some of my crew, were weak, too, from lack of food. The passengers were little better, although I learned afterward that the captain and his men had been living on just about half as much food each meal as was given the passengers."

"You came just in time," said Captain Ames, for that was his name. "We have enough food left for only one more day. For the last week we have been living on just about one-quarter as much food a day as we should have. We have had no meat for over two weeks. Forty of our passengers are ill from lack of food and the nervous strain. The ship doctor has been working night and day for the last two weeks."

"The men of the submarine were already carrying cases of food from our boat to the kitchen of the big vessel and were helping the cooks make great kettles of hot soup and large cans of coffee and tea. In less than an hour every person on board the disabled ship had eaten his fill. And in the meantime Captain Ames had told me what had happened to the ship and the battle the crew had had to keep the boat afloat since then."

"It seems that the fifth day out at sea one of the great engines that help drive the ship across the sea had broken down. The engineer and his helper would have been able to repair any ordinary break, but when they searched for the trouble they found that a huge piece of the engine, weighing many tons, had become cracked and had split in two. There was no way of binding it together."

"While this meant that the boat couldn't make its own way across the ocean the captain wasn't greatly worried. Going up to the wireless room of the ship, he ordered the wireless man to send out calls for help to every ship that he could reach. The powerful electrical machine could send messages many hundreds of miles, so the captain was sure that it wouldn't be long before the message reached some boat. "But it happened that no boats were crossing the ocean by that route just then, and two days went by without hearing a word from any ship. The next day, along toward noon, a terrible storm came up. The operator was still trying to talk to some other ship and finally heard an answer. He had sent part of the captain's call for help and was trying to give the ship's location by longitude and latitude, when the wind broke down the wireless equipment strung between the boat's masts."

## OHIO WOOL PRODUCERS

Ohio woolgrowers are seeking a national pure fabric law, in order that the consumer may have the same protection with regard to clothing as to food. If the legislation desired becomes effective, woolen manufacturers will be required to place labels on all goods, showing the percentages of new wool, re-worked wools or shoddy, and cotton. It is asserted that this should mean a greater cost to the consumer, according to J. F. Walker, secretary of the Ohio woolgrowers' association. "The price of woolen clothes does not depend, to any appreciable degree, on the cost of wool. If the farmer got \$1 a pound for wool in the grease, with woolen garments at present prices," says Mr. Walker, "he would receive 10 per cent of the finished product for furnishing the material. As a matter of fact with the price he is receiving for wool, he is getting 7 or 8 per cent. One wholesale garment maker recently said if wool dropped to 25 cents per pound it would not decrease the price of a finished garment more than \$1 or \$1.50, which is so small a reduction that it would never be made."

## NOT HIS MASTERS WALK

Harry Leon Wilson, the humorist, was talking in his palatial Monterey home about prohibition. "Prohibition," he said, "is a good thing, but like most good things, it comes a little bit hard at first. I know a rich New York bachelor who didn't believe in prohibition. He spent his evening at clubs and cabarets, and the truth of the matter is that for eight years he never

Fall and Winter Bring  
on Aches and Pains

Many people suffer unnecessary pain by waiting for lumbago, back-ache or rheumatic pains to pass off naturally. Why not take prompt action and make a recovery like that described by J. R. Wilkinson, of Selma, O. "Lumbago struck me just as I got out of bed, so bad I couldn't stay on my feet. My wife bathed my back with Houstonia Liniment and covered it with a hot flannel cloth, and I began to get better at once, and in two hours time I got up and went to work."

In a few hours Houstonia will relieve practically every ache or pain. Its remarkable antiseptic qualities make it especially good for burns, cuts and bruises. It soothes while it heals. Be prepared in advance by securing a bottle of Houstonia Liniment (The Original Jones' Liniment), with Dr. Jones' picture on the yellow label. \$1.00. Half size 50c, trial size 25c. Sold by all druggists. Dr. J. C. Jones Co., So. Charleston, C.

Sold by Hunters Drug Store, Butler's South Side Drug Store, Lima, E. E. Hansaker, Waynesfield.

once went home sober.

"But prohibition came to New York, and it got my rich bachelor friend on July 1. That night, for the first time since 1911, he went home sober, and his dog bit him." —Washington Star.

A Kansas veterinary has invented a table to hold a hog quiet and in the proper position for inoculation with anti-cholera serum.

Useful Gifts — Not "Gimcracks"

CHRISTMAS, 1919

## Helps for Useful, Thrifty Christmas Giving

### COLGATE'S Christmas Thought

LAST Christmas—and for many years past—we advised making it a Thrift Christmas for many and good reasons.

This year, if only for the self-satisfaction of continuing a desirable habit, let it again be a Thrift Christmas—one of useful gifts, not "gimcracks."

Colgate Comforts are useful—and are thrifty. But most of all, they are necessities.

Colgate Comforts, too, are Christmas gifts that will last well into the New Year and be used every day—gifts that everyone is glad to receive or give.

A gift costing a few pennies may be extravagant if it is not useful. But any of the Colgate Comforts illustrated in this page are thrifty gifts, well worth the giving because they are so useful every day in the year.

There are Colgate Comforts that will delight every member of the family. And you will find them convenient to buy at your nearest dealer's.

### Give Colgate's Face Creams— Keep Roses in "Sister's Cheeks"

Mirage Cold Cream for Protection is essential when one is exposed to the chilly winds and dampness of winter. A dash of this vanishing cream on the cheeks, chin, nose and forehead, keeps the skin in good condition, the tissues softened, and the pores free and active. Many women prefer this "greaseless" vanishing cream because it serves so well before the powder puff.

Charmis Cold Cream for the Nightly Massage re-invigorates the tissues and keeps them healthy and active, cleanses the pores, supplies them the oil which the nipping weather had dried, and softens the skin which the wind and cold have chapped.

Mirage Cream in jars, 25c; and in tubes, 20c, 10c.  
Charmis Cold Cream in jars, 50c, 25c; and in tubes, 20c, 10c.

Put a Tube of Ribbon Dental Cream in the top of each stocking

Give Good Health for Christmas

What greater gift than good health could you give anyone for Christmas? Good teeth are necessary to good health.

At Your Dealer's—Large Size, 25c.

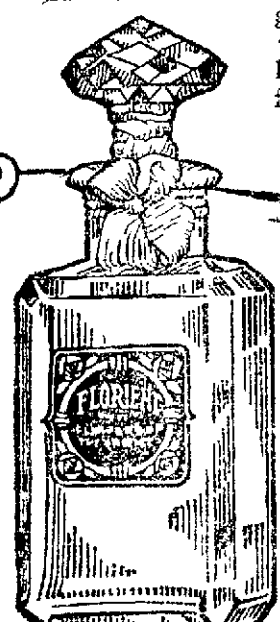

Florient  
Flowers of the Orient

THE fragrance of rich blossoms—yet delicate, elusive and dainty—this is Florient. Its superiority to foreign perfumes was established by an International Perfume Test, in which an impartial jury of 103 women compared Colgate's Perfumes with the most popular imported scents. Colgate's was selected by more than 4/5 of the jury—nearly all of whom had said that they preferred a foreign perfume.

Special bottle, at your favorite dealer's, \$1.00, \$2.00, \$3.00

Make the Famous Pe-June Test  
Even now there is time for you to send today for the test material. Send 2c to Dept. 36, 199 Fulton St., New York, for material and instructions.

### BUY THESE USEFUL GIFTS FROM YOUR LOCAL DEALER

You will find the useful thrifty Colgate comforts catalogued on this page convenient to buy at your favorite dealer's. He will appreciate your patronage and you will find a simple solution of the holiday gift buying to make your purchases at his store.

All the articles mentioned are attractively packaged and conveniently put up for easy shopping.

### COLGATE'S

COMPACT  
ROUGE

A generous cake of solid clinging rouge in a dainty laciton box, with puff and mirror. Handy for vanity box, shopping bag or dressing table. Used with Colgate's Florient Face Powder, Compact Rouge adds charm to a woman's skin and helps a rough one to greater beauty. Your favorite store has them both. 35 cents the box.

Baby Gift Box  
The box contains: Baby Tale (special size); Eau de Cologne; Coleo Soap; Charmis Cold Cream, trial size. Each, 1c. Total, \$1.35.

### For Dad, Uncle Will and Brother Bill

FOR real shaving comfort Dad will thank you every morning for the rich, cool, comfortable lather of

COLGATE'S

The REFILL Shaving Stick. The soap is threaded and screws into the metal socket. When it is nearly gone, unscrew the stub and screw in a "Refill." Then stick the stub which you unscrew on the end of the "Refill."

when wet. It stays and saves so cool, comfortable Colgate shaves.

"Handy Grip" Shaving Stick, 30c  
"Refill" Shaving Stick, 22c

After the Christmas Shave and Every Shave of the New Year

Uncle Will may like Toilet Water after he shaves. We suggest "L'air Imperial" as popular with the "men folks" for after shaving. Sprinkler top, per bottle, 90c.

FLORIENT  
Flowers of the Orient  
FACE POWDER

Delicately perfumed with Florient (Flowers of the Orient). White, Flesh and Brunette, 50c the box. At Your Dealer's.

### Suggestions for Sensible Thrift Gifts

For Him—A "Handy Grip" Shaving Stick that allows all the soap to be used—no waste. Ribbon Dental Cream—safe, thorough and delicious.  
For Her—A box or two of Tale, scented with her favorite perfume, a half-dozen tubes of Mirage Cream "Greaseless" and Vanishing.  
For Mother—A box of fine toilet soap for her own special use—Coleo or Cashmere Bouquet. Charmis Cold Cream to protect her skin against winter weather.  
For Father—Shaving Soap—Stick Powder or Cream as he prefers—with Tale or Cold Cream to use after the shave. He will like Colgate's.  
For Baby—Coleo Soap made entirely of vegetable oils—ideal for Baby's bath. A box of Baby Tale to make him comfortable and happy.  
For Anybody—Ribbon Dental Cream—the safe, delicious dentifrice that is endorsed by more dentists than any other. Good Teeth—Good Health is a splendid Christmas Gift.

Delight Mother and Aunt Mary with a Box of Cashmere Bouquet Soap

CASHMERE  
BOUQUET  
The Most Luxuriously Perfumed Soap

It's flower-like fragrance will bring them reminiscences of childhood. A subtle, delicate perfume that is also attractive. For Cashmere Bouquet is luxurious in its lather, and so wholesomely pure that it is safe for even baby's tender skin. Economical too—wearing down thriftily to tissue-like thinness. A "hard milled" soap that does not soften and waste as do some soaps when left wet in the soap dish.  
Medium Sized Cake, 10c  
Large Sized Cake, 25c  
Box of 6 Medium Sized Cakes, 55c

### 4 Present for the Whole Family

FOR ordinary everyday use, Colgate Soap is for everybody. Every one speaks of its lather—cleansing yet gentle.

Colgate is not only economical but it is bland and soothing to the skin. If you want a real vegetable oil soap be sure to get Colgate—in all vegetable oil soap at a thrifty price.

At Your Dealer's—10c a cake

This Colgate guarantee with every cake "Made entirely of vegetable oils Colgate & Co."

### There's Comfort in this Little Gift

ALONG with soap and water a good talc powder has its share in day to day comfort and hygiene. To comfort Baby's delicate skin or to help keep Grandma's hands in good condition (for instance, when she knits) give Colgate's Talc. Men too appreciate the cooling soothing refreshment of Colgate's Talc particularly after a bath or a shave.

Eleven charming scents besides a tinted and an unscented Talc all on the same formula of an eminent physician. "The real boric powder."

Colgate's Baby Talc, Dainty for Men and Women, Cashmere Bouquet, Violet, Faint, Unscented.

Regular size, 18c  
Special size, 25c

### Superfine Talc

Florient, Radiant Rose, Splendor, L'air de Van, 25c the box.

"An impartial analysis of various talcs made by Dr. A. A. Benham M. Sc., of New York, proved the superior boric content of Colgate's. A copy will be sent free on request."

## SUCCESSFUL DINNER DANCE

Wonderful, superb, and other such ejaculations were heard in reference to the Keweenaw Club dinner dance, Wednesday evening, but all were woefully inadequate as words of explanation. True, it was a wonderful party, as well as a superb one, but just how very wonderful it was, words can not express.

From the very beginning, as the orchestra from Kalamazoo Michigan struck up a spirited march tune, and the guests filed in to dinner, the party was a marvelous success. The hall room was beautiful. Here tables were arranged for parties of four, six, eight, and ten. The tables were set with a blue and white scheme, with crystal chandeliers, and place cards were placed on the table. The room was decorated with white and blue, and the effect was most pleasing.

As the guests entered the room, they were met by a hostess, who took them to their tables. The tables were set with a blue and white scheme, with crystal chandeliers, and place cards were placed on the table. The room was decorated with white and blue, and the effect was most pleasing.

The dinner was served in the ball room, and the guests were most pleased with the food. The music was played by a band, and the guests danced until late in the evening. The party was a great success, and the guests were most pleased with the food and the music.

The party was a great success, and the guests were most pleased with the food and the music. The party was a great success, and the guests were most pleased with the food and the music.

## ARMISTICE!

Constipation, Headache, Colds, Biliousness, Sufferer to "Cascarets"

Don't stay stuffed up! Quit being constipated! A dose of "Pape's Cold Compound" taken every 12 hours until three doses are taken usually breaks up a cold and ends the misery.

The very first dose opens up clogged-up nostrils and the air passages of your head; stops nose running; relieves the headache, dizziness, feverishness, sneezing, sore throat, etc.

"Pape's Cold Compound" is the quickest, surest relief known. It costs only a few cents at drug stores. It acts without assistance. Take it. Contains no quinine, alcohol, or any other harmful substance.

## CLOWN TO DELIGHT KIDDIES SATURDAY

There is a man in Lima known to millions of children throughout these United States and who call him "friend." It is his belief that he knows more kiddies personally and loves them best of anyone in the world. The name of this man is "Hip" Raymond. He is a clown. But Raymond is not just an ordinary clown. He has been called the best clown in the world. That is because, when the New York Hippodrome was seeking the best clown in the business, with salary no object,

Raymond was the one selected to be featured at that vast amusement place. Raymond is appearing this week at the Orpheum theatre. He was brought to Lima for the sole purpose of entertaining the kiddies. Of course most of the little boys and girls of Lima are attending school today and Friday. But they will not have any classes Saturday. So, Saturday afternoon at 2:30 o'clock, there will be a special matinee in their favor. And, at that matinee, Raymond who is appearing in Lima for the first time, will give an act especially for the benefit of the children and will try to enlarge by several thousand his ever widening circle of acquaintances among the kiddies. But on the same program with Raymond there are several other features which will appeal to the kiddies.

### FOUR MEN ENLIST

Four Lima men enlisted Wednesday at the local army recruiting station and were sent to Toledo for final examination. They are: Roy Clements, 518 West Vine street; Gale Morris, Cole street road; Frank Mercer, 138 East Wayne street; Lawrence L. Miller, R. F. D., Lima.

### OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head  
and Nose are Stuffed Up.

Ever notice your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more snuffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night. Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membranes, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

## Special Notice to Readers of The -Democrat

The highest medical authorities in the United States and Great Britain strongly endorse the medical ingredients used in the preparation of Nuxite Ointment, for an aid in the treatment of nasal catarrh, soreness in the chest, pneumonia, cold in the head, tonsillitis, sore throat, asthma and spasmodic croup. When used according to directions, there is no preparation which is more powerful as an auxiliary treatment or as an aid in the prevention of the above troubles.

A cough or sore, inflamed throat is a direct warning, and unless it is promptly attended to more serious complications are sure to follow. Nuxite Cough Syrup is an ideal, early treatment for these conditions and no home should be without this splendid treatment, which is prepared only from carefully selected medicinal ingredients most highly endorsed and recommended by the highest medical authorities of both America and Europe.

The Nuxite preparations are sold in Lima at Hunter's Public Square Store.

## WEEKLY DANCE WILL BE HELD THURSDAY

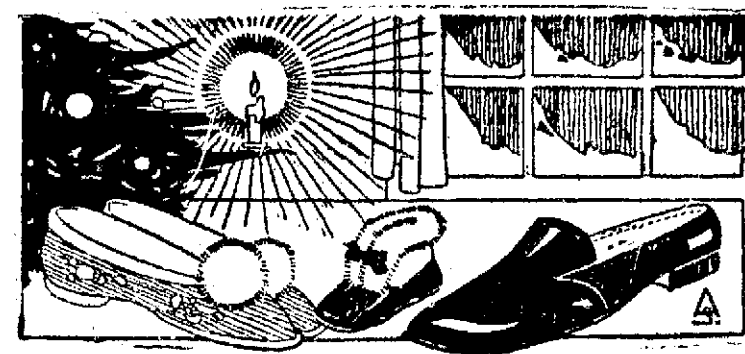

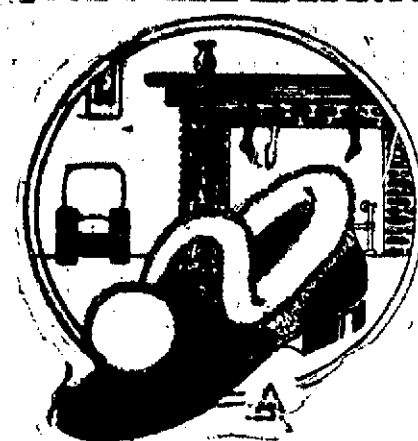

It is anticipated an extra large crowd will be on hand at the weekly dance given this evening at Lincoln Park fire station, according to attaches of the department, who are making every effort to enlarge these events until they will be attended by persons from every section of the city. The dances are really given under the auspices of the East Side

Improvement and Welfare Club, it is understood.

In order to make this evening's dance a huge success Coffman's Original Jazz Band, consisting of 10 pieces, has been secured, and firemen declare, when this outfit starts to play you simply have no control over your "pedals." Refreshments

ing, Friday, Dec. 12, at 7:30 p. m. Grand officers will be present. Refreshments will be served.

By Order of the Committee.

### WHEAT CROP SAFE

The present cold wave is not expected to have a serious effect on the winter wheat crop, according to L. S. Van Natta, county farm agent, unless there are high winds to chip off the blades from the stalk and stunt the growth of the plant.

Swedish school children, under the guidance of their teachers, annually plant about six hundred thousand trees.

# BLUEM'S

At  
Elizabeth

WHAT will you give to those that are near and dear to you---to those whom you wish to remember at Christmas time with an appropriate gift? Will you give merely for the sake of giving or shall the things you give express the true spirit of Christmas---with the desire to bring happiness to others?

WHAT would you prefer to receive as a gift? Ask yourself that question. Wouldn't it be better to give useful things, things that can be used throughout the year, than some useless bit of bric-a-brac?

WOULDN'T you rather receive a nice Linen Set, or something to wear, rather than a piece of expensive nonsense?

WE have all kinds of things to offer you when doing your Christmas shopping but we suggest at this time that you give thought to the matter of giving useful, substantial gifts.

THOSE receiving gifts from the New House of Bluem will not only appreciate the service rendered by the article, but will also realize the value of quality in a gift, coming from this house.

BY shopping before 11 a. m. you can save 10%---If you can save 10%, or any amount, isn't it the wise thing to do, at the present time, if you are confident that the goods you get, less a percent, are of the very best quality?

## "To Please Him Best"

Ordinarily the selection of the gift that will please "him" best, would seem a very difficult matter. Actually it is very simple, if you but take a tip from the wise old Santa and bring your problems to this store---the home of better Automotive Equipment.

For the man who owns a car, you'll find here a host of those things most necessary to his comfort and convenience. You'll find prices very conservative and most courteous treatment here, too.

## Here Are Worth While Suggestions

RADIATOR	AUTO CLOCKS	FLASH LIGHTS
HOOD COVERS	AUTO PUMPS	SPOT LIGHTS
AUTO ROBES	MIRRORS	HORNS
AUTO HEATERS	TROUBLE LIGHTS	TIRE COVERS
FOOT WARMERS	AUTO BUMPER	SPARK PLUGS
GUARANTEED TIRES AND TUBES		

Let his gift come from Automotive Headquarters and watch the smile of Appreciation Christmas Morn.

## SHE WAS FORCED TO MUFFLE BELL OF TELEPHONE

Mrs. Swanson's Nerves Were Upset From Years of Trouble

GAINED 20 POUNDS Says She Wants to Tell Everybody What Tanlac Did for Her

"For the benefit of the thousands who are suffering from stomach trouble and a run down condition I want to tell of the wonderful results I have gotten from the use of Tanlac," said Mrs. Lena Swanson, of 1720 North Madison street, Peoria, Illinois, in relating her remarkable experience with the medicine, a few days ago.

"My friends are simply amazed," she continued. "They all say I am now the picture of health. Why, just today, one of my friends told me I was looking ten years younger, and I certainly do feel that way, too. I have already gained twenty pounds in weight and have just finished my fifth bottle of Tanlac."

"It was eight years ago, or more, that my stomach got out of order and my health began to fail. I finally got to feeling so badly that I lost interest in everything, gave up my church work, found little pleasure in life. My food acted like poison to my system. I would bloat up with gas until I did not look natural and just suffer agony. My heart would flutter, from the effects of this gas, and weaken me until I would almost faint. I would get so dizzy at times that the house seemed to be whirling around. No one knows unless they have suffered the same way, how miserable I did feel. I at last got to where I had to almost stop eating and became so run down and weak it was all I could do to get about the house. My nerves were so shattered that the least noise would upset me. I finally had to muffle the telephone as I would almost jump out of my chair when it rang. I slept but little at night and seldom woke up in the mornings without a dull, nagging headache."

"My friends would call and sympathize with me, but now they rejoice with me and go 'way praising Tanlac. One day my brother, who had used Tanlac with fine results, brought me a bottle and talked me into trying it. Well, then I finished that bottle my appetite had returned, and I could eat better and sleep better than in years. I didn't feel quite so nervous, either, and then I had at last found the medicine I needed. I had been suffering so long and was in such a badly run down condition that it took several bottles of Tanlac to straighten me out, but anyone can look at me now and see that I am enjoying good health. I can now eat meats, pickles, cabbage, in fact, just anything and never have the least trouble with my stomach. My nerves are as calm and I sleep as soundly as when I was a child. I am just so grateful and happy for the return of my health that I want to tell everybody about Tanlac. I never grow tired praising it to my friends."

"For sale by all Drug Stores, Baldwin's Central Drug Store, and leading druggists everywhere."

About Nicotol--  
The Enemy of Tobacco

It improves any man's health to quit tobacco if he can escape the awful craving that usually attends quittings without such assistance as Nicotol gives. Did you ever have Smoker's cough? Try Nicotol in getting rid of the tobacco habit and see how quickly the cough will disappear. Nicotol is dispensed by most good druggists in this city, specially by Enterprise Drug Store and Hunter's Drug Stores.

## BOARD OF EDUCATION WILL ISSUE BONDS

Resolutions were adopted at the regular meeting of the board of education Wednesday night to issue bonds to the amount of \$249,000 to cover a deficiency in school funds. The board authorized Frank Mullenhour, clerk together with Melvin C. Light city solicitor to prepare an advertisement for the sale of \$140,000 worth of bonds within the next 30 days. As the remaining \$109,000 is not required at this time, bonds for this amount can be issued at the discretion of the board.

**Routine Matters Up**  
The discussion of school matters occupied the remainder of the evening. Superintendent Collins read his regular monthly report, which showed an increase in school attendance for the first three months of this year of more than 100 pupils over that of the corresponding period in 1918. The schools all over the city are well supplied with coal purchased during the summer, and are not in danger of a fuel shortage.

## Troop Equipment Due to Arrive

Captain Harry Horner of Troop B, the local cavalry unit of the Ohio National Guard has announced that full equipment, with the exception of horses may be expected to arrive before the next drill night. The equipment has been held up at Marion, according to information received by Captain Horner, but the blockade which has been delaying it will be removed this week, he said.

**APPEALS CASE**  
Transcript for the appeal of a judgment awarded against him in Justice Hamilton's court on November 21 was filed Wednesday by E. J. Rader. Rader brought suit against the Jewel Tea Company for commissions due on sales alleged to have been made for them.

**SUE FOR COMMISSION**  
Petition was filed in common pleas court Wednesday by Walker, Hultbarger and Sneyer asking for a judgment of \$188 against Leo D. Crain. The plaintiffs, real estate dealers, claim to have sold property for Crain on which that amount is due as commission. Crain is now a resident of Pittsburg, Kansas.

**KNIGHTS OF ST. JOHN.**  
There will be an important meeting of the Knights of St. John this evening at 8 p. m. sharp. Nomination and election of officers will take place. Also other business of importance. Every member is requested to attend. By Order of President.

## Celebrity Speaks Here Thursday

John Kendrick's Bangs, noted humorist, will be the third attraction on the series of winter entertainments being given by students of Central high school, to obtain funds for a new moving picture machine. Bangs will speak at the high school auditorium this evening at 8 o'clock. He recently returned from France where he spent a year as entertainer in the various army camps.

## THE FAUROT'S PICTURES

The change of program at the Faurot today brings popular Dorothy Dalton, who is seen in the Ince-Paramount picture, "Other Men's Wives."

"Other Men's Wives" registers as a frankly expressed problem play with lavish divorce trimmings, handsomely photographed, smoothly directed and well acted by a thorough competent cast. The action is speedy, working up to a pleasant ending, which sees the much-harassed heroine relieved of all her troubles and folded in the embrace of a hero, whose former annoying wife is safely shelved, having in the interval cut loose from her second hubby.

A very pretty tangle of intrigue, plot and counter plot is developed as the vital climbers and amorous males cross each other's paths, but the conventionalities are, after all, fairly well observed, and there are no situations outlined in such fashion as to provide a target for censorial under bolts.

Mrs. Dalton succeeds a winning sympathy by her impersonation of Cynthia, which must be credited as a decided tribute to her talents, for the unpleasant light in which that comely social parasite is placed by

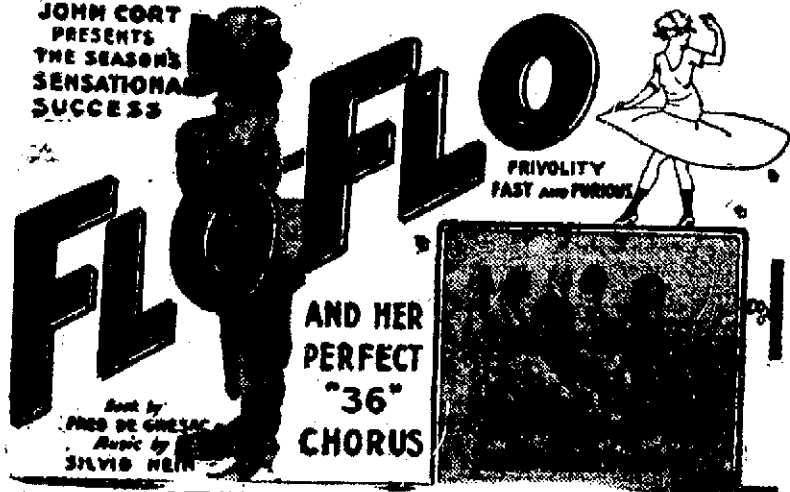

the author in the earlier stages of the drama is not calculated to make her popular with the average lover of fair play. Thanks to her grace, beauty and clever acting in the many emotional scenes which fall to her share, the leading lady manages to overcome this handicap, and leaves the impression that Cynthia isn't such a bad sort, even if she yielded to the temptation of filthy lucre and connived at a double-cross in a moment of moral weakness. Forcast Stanley gives an energetic and forceful performance as James Gordon; Dell Boone is convincing as the ambitious Vioja, and H. E. Herbert's clean-cut portrayal of the cold-blooded, scheming Flint all that could be desired.

The feminine contingent will be especially interested in the gorgeous profusion of handsome gowns on view, the costumes worn by Miss Dalton causing admiring comment among the audiences at the Faurot.

There are other good things on this excellently varied program. Two clever comedies, Bill Parsons in "His Own Medicine" and Charlie Chaplin in a new edition of his famous success, "The Fireman" vie with the witty topics of the day in keeping the audience in rare good humor.

## Faurot—"Flo-Flo"

Advance orders are being received at the box office of the Faurot for the sensational musical comedy success, "Flo-Flo," which will be the

attraction at that theater on Saturday afternoon and night. John Cort is sending a fine cast, a beautifully staged and costumed production, his famous "Perfect 36" chorus and an augmented orchestra. "Flo-Flo" is as noted for its lingerie as it is for its luring lyrics and made a big hit here last season which it is certain to repeat.

"The End of the Road"—You often heard of heart-broken wives, but what of the health-broken wives whose bodies have to suffer the consequences of the contaminating escapades of their husbands? Bad as mental anguish may be, what of the physical anguish that men bring to their health-stones and shoulders a-weighing, and are expected to be one of the biggest hits of the year. Frankie Fay and her Jazz Boys are big-time artists direct from the big-time theatres and they bring to Lima an offering that is far above the average.

A mixed program of vaudeville and feature motion pictures is offered for the last half of this week. There are three acts of the vaudeville and a five-reel extra special photoplay. In addition to Miss Fay and her Jazz Boys, there will be seen Hip Raymond, late featured clown of the New York Hippodrome, and Rose and Thorn, "the Yale Boy and the Swede Girl," in what is described as a veritable tumult of laughter. Each of these acts is a feature offering.

Orpheum—A complete change of program at the Orpheum theatre today brings to that playhouse one of the most notable acts of its kind in vaudeville—ragged, rollicking Frankie Fay and her Jazz Boys—one lovely girl and two clever young men who, by their hitting songs and syncopated instruments set the feet a-tapping and the shoulders a-weighing, and are expected to be one of the biggest hits of the year. Frankie Fay and her Jazz Boys are big-time artists direct from the big-time theatres and they bring to Lima an offering that is far above the average.

A mixed program of vaudeville and feature motion pictures is offered for the last half of this week. There are three acts of the vaudeville and a five-reel extra special photoplay. In addition to Miss Fay and her Jazz Boys, there will be seen Hip Raymond, late featured clown of the New York Hippodrome, and Rose and Thorn, "the Yale Boy and the Swede Girl," in what is described as a veritable tumult of laughter. Each of these acts is a feature offering.

Regent—Regentites will have final opportunity tonight to review the splendid Anita Stewart photoplay, "A Midnight Romance." This attraction seems to have caught the popular fancy and Mrs. Stewart has firmly entrenched herself in the good graces of Lima movie fans.

Will Rogers has a ready-made audience when he stepped from the limelight to the screen. His advent in motion pictures has been a source of great pleasure to the millions who daily visit the cinema places. These, augmented by the multitude who read his latest success, "Jubilo," in a pop-

IMPORTANT TO ALL WOMEN  
READERS OF THIS PAPER

Thousands upon thousands of women have kidney or bladder trouble and never suspect it. Women's complaints often prove to be nothing else but kidney trouble or the result of kidney or bladder disease.

If the kidneys are not in a healthy condition, they may cause the other organs to become diseased. You may suffer pain in the back, headache and loss of ambition.

Poor health makes you nervous, irritable and may be despondent, it makes any one so. But hundreds of women claim that Dr. Kilmer's Swamp-Root, by restoring health to the kidneys, proved to be just the remedy needed to overcome such conditions.

Many send for a sample bottle to see what Swamp-Root, the great kidney, liver and bladder medicine will do for them. By enclosing ten cents to Dr. Kilmer & Co., Binghamton, N. Y., you may receive sample size bottle by Parcel Post. You can purchase medium and large size bottles at all drug stores.

ular weekly, constitute the most formidable number of boosters and admirers any new star to the screen ever attracted.

Will Rogers as a bashful school-teacher in "Almost a Husband" was a knockout. But as the lovable muckster of the road in "Jubilo" he is even more—he's a positive riot. His humanness and genuineness takes motion picture devotees by storm. "Jubilo" will be the attraction Friday and Saturday and it goes, without saying, that representative audiences will attend its showing.

The very novelty of a new screen play earned for it a claim to distinction and on the initial showing in New York, "A Scram in the Night" was accorded the distinction of having registered the most profound impression of any photoplay shown during the present season. It likewise has taxed the capacity of the theatre at each presentation. Lima movie fans will see this novelty next

## FANS WATCHING NEXT BIG MOVE

Rumors Are To Effect In-  
surgents May Bolt The  
League

NEW YORK, Dec. 11.—The first skirmish in the battle for the balance of power in the American League having ended with a victory yesterday for President E. B. Johnson, base ball followers today awaited with interest the next move by the insurgents. The minority clubs indicated that they would continue to oppose Johnson and his new board of directors and later carry their contentions to the courts. The possibility of filing the winter months with litigation was viewed with apprehension by neutral supporters of the league. Rumors were current that the insurgents would bolt the league, but Harry Frazar, president of the Boston club, said "we have no thought of getting out of the league and we will continue to go after Johnson through every legal means in our power."

**SHIPS COLLIDE, ALL SAFE**  
HALIFAX, N. S., Dec. 11.—Messages from the British steamer Carmanah, which collided with the steamer Maryland, about 500 miles off this port yesterday, indicated that she would make port under her own steam some time tomorrow. The Carmanah which has a large number of Americans aboard, reported that her damage was above the water line and that she was in no danger. The Maryland proceeded on her course from Baltimore to London.

# PLANTS HERE AFFECTED BY FUEL ORDERS

## GARFIELD'S REGULATIONS ARE RECEIVED

O. E. Officials Declare They Will Be Complied With To Full Extent.

### MERCHANTS AFFECTED

Stores And Restaurants Will Have To Cut Off Half Their Lights

Resident Manager J. B. Dugan, of the Ohio Electric railway received the official text of Fuel Administrator Garfield's regulations Thursday morning, which, according to his statement, will be carried out to the letter. A meeting of the Retail Merchants' Association, the Manufacturers' Association and others interested in the consumption of power has been asked by Dugan for late Thursday afternoon, to best decide the method of complying with the order with least inconvenience to those concerned. The stand taken by Dugan has been that the fuel situation is in the hands of the railroads and that all orders as to curtailment of power should come through the Pennsylvania, by whom coal for the O. E. is furnished. Now that orders have arrived, said Dugan, every effort will be made to comply with the restrictions to the fullest extent.

The fuel administrators' regulations have been in the hands of the Erie railroad for some time, according to the statement of Walter H. Clarke, secretary of the Chamber of Commerce, but no action further than the voluntary conservation, which has been practiced by the merchants' association and others has resulted, due to the fact that the Erie has not been furnishing coal to the O. E. or municipal industries.

**Affect All Industries**  
The ruling, which according to Regional Director L. H. Baldwin should

have gone into effect December 8, will affect practically every industry in Lima. Ornamental lights and the lighting of show windows, show cases and electric signs will not be permitted, and any violators, after having been notified by the light company of the ruling, will be subject to having their service discontinued entirely, according to officials of the Ohio Electric. This ruling has been observed by members of the Retail Merchants' association and the majority of loyal citizens, according to Clark, but there have been a few who have shown selfishness enough to disregard the matter until it is forced upon them now, he said.

**Stores and Restaurants**  
Other striking features of the restrictions limit the use of lights in stores to 6 hours per day. R. B. Dunn, of the Lima Merchants Association could give no outline of the plan to be presented by the merchants, when interviewed Thursday afternoon. He said, however, definite arrangements will be made at a conference between the directors of the organization and officials of the Ohio Electric this evening to carry out provisions of the order in any way in which they are not already doing so.

**The Restrictions**  
The following restrictions are included in the order:  
Industries not manufacturing necessary products are limited to an allowance of fuel or electric power sufficient to operate three days a week.

Pool rooms, dance halls and cabarets are allowed light only between the hours of 7 and 11.

Sixty-four degrees is the maximum temperature allowed in public buildings.

No heat is permitted in the street cars during the rush hours.

Light in drug stores and restaurants to be reduced one half.

Managers of prominent drug stores throughout the city expressed their willingness to cut the light in half. The Hunter drug store, according to their statement, Thursday have been using less than half the usual amount of light since Garfield's restrictions were announced several days ago. This has been accomplished by the elimination of lights in the windows and cutting down the light inside the store.

**Turn Out Lights**  
Hotel managers interviewed expressed the opinion that the only way to

reduce the use of light in the restaurants is to turn out half the lights usually burned as it is impractical to cut down the hours.

The larger industrial plants of the city to be effected by a curtailment of power furnished by the Ohio Electric, according to officials of the O. E. are: Lima Locomotive Works; Lima Steel Casting Company; Gramm-Bernstein Motor Truck Company; Chalmers-Brown Company; Buckeye Brass Casting Company; Lima Stone Company; Steiner Brothers and Lima Mattress Company.

**No Plan Devised**  
Officials of the companies interviewed Thursday afternoon had worked out no plan, but stated an agreement would no doubt be reached which would be satisfactory to the greatest number of power consumers.

The companies not depending on the O. E. for power have not planned as yet to curtail the use of power, but will be represented at the meeting called for Thursday evening by J. B. Dugan of the Ohio Electric. The Ohio Steel Foundry Company and The Garfield Motor Truck Company have a limited supply of fuel on hand and it was not thought, by officials this afternoon, that the order will affect them until their present supply is exhausted.

## Military Burial For Ada Soldier

Funeral services for Davis Carl Bigelow, son of Mr. and Mrs. Clayton Bigelow, 641 Elm street, were held at 10 o'clock this morning at the First Christian church, Rev. E. A. Watkins officiating. Members of Troop E, Cavalry Ohio National Guard, of which the deceased was a member marched in a body to the home previous to the services, and later marched to the church. Officers and non-commissioned officers of the troop, in uniform, acted as pallbearers. Burial was made in the Ada cemetery. The troop also accompanied the funeral cortege to the cemetery, where interment was made with full military honors.

**DANCING AT MEMORIAL HALL**

**AWARDED JUDGMENT**  
Verdict for \$1,905.29 in favor of the plaintiff was rendered by Judge Klingler Thursday by default, in the case of R. W. Payne against C. P. Boyan.

**VERDICT RENDERED**  
Judgment for the plaintiff, F. A. Bryan, was rendered for \$131.05 Thursday in common pleas court in their action for money against John Hamilton and others as the Auburn Motor Car Co.

**XMAS GREETING CARDS AND FOLDERS. CENTRAL NEWS STAND.**

**FUNERAL SERVICES FRIDAY**  
Funeral services for Scott Robinson, who died early Wednesday morning at his home following a sudden attack of heart trouble will be held Friday afternoon at 2 o'clock at Epworth M. E. Church. Burial will be made in Woodlawn cemetery.

**DANCING AT MEMORIAL HALL**  
TUESDAY—THURSDAY—SATURDAY EVENINGS. OLD PEPPER JAZZ. 10 MEN.

Mr. and Mrs. Wilbur Dunlap, of Albert, were guests of Mr. and Mrs. Carl Fletcher, of north Washington street, Wednesday.

## Christmas and Habits.

What your boy will be as a man depends upon the habits he forms now.

You know that! You also know the importance to any man of being a saver and not a spendthrift.

Which do you want your boy to be?

A saver, of course. Well then, start him right. Teach him to save now.

Give him a little savings account, and encourage him to add to it.

When he's grown the habit will stick by him.

Do it for the boy's sake. Open an account here—where it will grow faster.

The Allen County Savings and Loan Company, Savings Building, Market and Elizabeth streets.

## BLUFFTON PLANTS RUN HALF TIME

BLUFFTON—In order to conserve coal the Board of Public Affairs has restricted the use of electric current by manufacturing plants to three days a week in order to conform to the order issued by Fuel Administrator Garfield. The effect of the new order was noticeable Tuesday night in the darkened streets and the absence of any electric signs. The Bluffton News will be issued on Mondays hereafter instead of Wednesday. The local Board of Public Affairs permitted printing of "The Winterson" the College weekly on Saturday, because of the impossibility of getting any issue out earlier. This permission, however, has been granted only for this week. Other plants affected are the Bluffton Mfg. Co., the Diller Mfg. Co., Boss Glove Factory, Cal Palmer Sawmill, Kimmel Plating Mill, J. W. Jackson Foundry and the Bluffton Stone Co.

Heating and the use of electricity for lighting has also been cut down and the whole situation has developed into war-time conditions.

No relief is promised and these orders are in effect for an indefinite time.

The Mid-Winter Fair of Bluffton opened Wednesday with a large and complete exhibit of live stock and farm products. Ray Marshall, secretary of the association said the total entries consisted of 35 horses; 65 cattle, 32 sheep, 125 hogs and more than 100 head of poultry. The exhibits are placed in the Lecher Feed Barn and a great deal of interest is being displayed.

David Fyffe, of the College of Agriculture of Ohio State University will judge the horses; A. H. Farmer will judge dairy cattle and sheep; Samuel Morton, of Camden will judge hogs; Chas. McCave, of New London, will judge poultry and H. J. Ridge, former professor at Bluffton College, now farm agent for Auglaize county will judge fruit and grain displays.

Receiver Paul C. Keyes, handling the affairs of the First National Bank announced that depositors would receive their first payment February 1, of next year.

The dramatic class of the college under the direction of Professor Boyd Smucker, head of the department of Public Speaking, presented the play "Ingomar the Barbarian," before a well-filled house Wednesday evening.

**GOLDEN EAGLES NOTICE.**  
All members of the Knights of the Golden Eagles are requested to meet at the hall Friday afternoon at 1 o'clock for the purpose attending the funeral of our departed brother, F. S. Robertson.

## Young Lawyers Form Partnership

Elmer McClain and Walter Gerstenlauer, two prominent young lawyers, have formed a partnership under the firm name of McClain and Gerstenlauer with offices in the Opera House building. Both are graduates of the Western Reserve Law University, and in addition Mr. Gerstenlauer is a graduate of Adelbert College, and Mr. McClain of the University of Chicago. Both were in military service, Mr. McClain as transport quartermaster on freight boats between the United States and France; and Mr. Gerstenlauer was engaged in studying law and French at the University of Paris and Alliance Francaise under the Army Educational Commission. Mr. McClain was recently appointed service director to succeed A. L. Metheny.

### SHERICK FUNERAL FRIDAY

Rev. W. D. Cole, of Trinity M. E. Church, will conduct funeral services Friday afternoon at 2 o'clock at the Elida M. E. Church for Samuel S. Sherick, senior member of the firm of Smith and Sherick who died Wednesday morning. A short prayer service will be held at the late residence before the funeral party leaves for Elida. Burial will be made in Greenlawn cemetery.

## Cuticura Is What You Need For Your Hair and Scalp

Dandruff kills the hair. Cuticura kills dandruff. Try this treatment. Before retiring rub Cuticura Ointment into parts all over the scalp. Next morning shampoo with Cuticura Soap and hot water. Rinse with tepid water. Dandruff usually disappears, hair stops falling and becomes thick, lustrous and healthy. Be sure to test the fascinating fragrance of Cuticura Talcum on your skin. Soap, Ointment and Talcum 25c. each everywhere.
